

## Application For A Factory Record Certificate NOC1

The Norton Owners Club has copies of the original Norton Factory Records which give details about each machine produced, provided these are shown on the ledger. The level of detail varies from year to year depending on model. Any data provided is for information only and could be liable to transcription error. NOC Factory Record Certificates or information are not proof of identity or specification and **may not be used for licensing purposes.**

Name .....

Address 1 .....

Town ..... Postcode .....

E-mail Address .....

Telephone No. (day) ..... NOC Membership No. ....

Norton Model .....

Frame Number ..... Pre-War  Post-War

Engine Number ..... Pre-War  Post-War

Original Registration .....

Commando only – Month and Year from VIN plate .....

*All stampings must include the full numbers suffixes and prefixes as shown on the frame and engine. These should not be taken from the log book. Make sure you have read the frame and engine numbers correctly; failure to do so will complicate the application. It is not the policy of the NOC to confirm any numbers from the records not provided by the applicant. In the case of non matching numbers the record will favour the frame, but the replacement Engine No. will also be included. The record will be signed and returned by post.*

I believe the above information provided to be to the best of my knowledge correct

Signed ..... Date .....

You should send with your application:-

- (1) A photograph of each side of the complete machine in its current condition
- (2) Photographs of both the Frame No. and Engine No.
- (3) Payment to *Norton Owners Club* Members - £15 Non-Members £40
