

Application To Register A Vehicle Under its Original Registration Number NOC4

The Norton Owners Club is on the DVLA List Of Vehicle Owners Clubs and recognised as being able to support Members' applications for obtaining retained or age related registration numbers for Norton motorcycles. The Club's Records Officers will assess applications and provided everything is in order, endorse them and forward them to DVLA. The decision of the Records Officers as to whether or not an application will be endorsed is final and if rejected, the Club fee is not refundable. The Records Officer may decide that an inspection of the machine is required. If this is the case, he will arrange an inspection for which there will be a charge. You will be advised in advance of any visit. Alternatively you may bring the machine to an appointed inspector at an agreed location.
