

**Application For An Age Related Registration( NOC 3)  
RE-CONSTRUCTED CLASSICS V627/1 NOC**  
*Note For Radically Altered/Modified machines see DVLA leaflet INF 26*

Where the motorcycle is re-built from parts from more than one source the machine will need to be inspected by the NOC. The DVLA will require proof of the year of manufacture and this is done by having an Official Date letter plus a V762/1 NOC built up Report following the inspection. The decision of the Records Officers as to whether or not an application will be endorsed is final and if rejected, the Club fee is not refundable.
